

How to Download the Wylie App

1. Find your Wylie WebApp URL in your Wylie System under 'Wylie App' menu, then 'go to App'.
2. Copy this URL in your phone's browser and select the 'share icon'

3. Then, select 'Add to Home page'. You will now see the Wylie logo on your home screen of your phone.
4. Select the Wylie Icon and 'create an Account' and enter the email on your account in Wylie and the password you would like to use.
5. You will then receive an email with a link to authenticate your account.
