

How to Send a Wylie Client App Invitation

How to send your client an invitation to use the Wylie client app:

1. Go to your client list in Wylie by selecting the 'Patients' menu (your menu may also be labeled 'Clients' or 'Customers' depending on your settings), then 'Manage Patients'.
2. Select the check box beside the client's name that you want to invite, or select all by selecting the very top check box (you can send 200 invites at a time).
3. Then, select the 'Invite Patients to App' to prompt the invite email to appear and select 'Send Invitation'.
