

How to Reconnect My Zoom Account

Follow the steps below to reconnect your Zoom account in Wylie.

1. In Wylie, select the 'Settings' menu, then 'Integrations/plugins' and choose the 'Zoom' integration option.

2. Select the 'Disconnect Zoom account' button.

3. Then, select the same button that should now read, 'Connect Zoom account'.

4. You will then be directed to the Zoom permission page, where you will select 'Allow'.

Wylie v2 would like permission to:

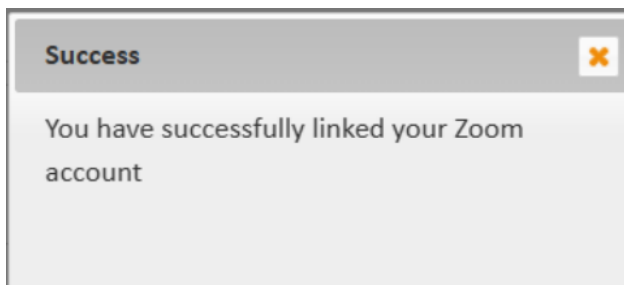

- ✓ Delete, Update, View a meeting
- ✓ Create a meeting for a user
- ✓ View call queues
- ✓ View users
- ✓ View a phone user
- ✓ Update a SMS session

By clicking Allow you give permission to this app to use your information in accordance with their [Terms](#) and [Privacy Policy](#). You can remove this app at any time in [My apps](#).

5. You will then be redirected back to Wylie and see a pop-up that reads 'You have successfully linked your Zoom account'.

If you do not see this pop up, please contact Wylie support by phone: [1-888-688-1674](tel:1-888-688-1674) or email: info@wyliesystems.ca

Note: You do not need to reconnect any employee accounts. The 'Employees/Staff' page in Wylie will remember your settings.
